

Business Laser Printer

HL-L6300DW

The HL-L6300DW monochrome laser printer is ideal for mid-sized workgroups with higher print volumes that need a reliable printer with a low total cost of ownership, advanced security features, and improved productivity.

- Help maximize your budget with included Brother Genuine high-yield cartridge for built in value and even lower cost printing with a super high-yield replacement cartridge
- Large standard paper capacity holds more than a ream of paper to help minimize user intervention, and optional paper trays are ideal for offices that require customized workflows or additional paper capacity
- Triple layer security features help limit device and document access and help protect from network intrusion
- High speed, professional output helps improve your office productivity
- Flexible installation options for easily sharing the printer on your wireless or Gigabit Ethernet network and mobile device[□]
- Color Touchscreen for easy navigation and direct printing from popular business cloud services[□]
