MAIN FEATURES

High security cross cut shredder suitable to shred "Classified" and "Top Secret" documents. Approved by many International Governments and Military Bodies, it's also being used by the US Department of States, the CIA and the National Security Agency. Equipped with a special manual mechanism which allows to shred the documents also in case of no power supply (emergency, military or terrorism attacks). Kobra 260 HS/2-6 can shred a sheet of paper in about 20.000 microchips which become absolutely unreadable even if special electronic optical microscoped are used. Heavy duty chain drive system with metal gears and carbon hardened cutting knives operating in conjunction with two motors delivers maximum shredding capacity. Motor thermal protection: 24 hour continuous duty operations without overheating. Energy Smart System for the environmental protection and energy cost saving.
