BUSINESS-CLASS DOCUMENT SOLUTIONS

Full Color Printing

- The MFX-C2700 produces high-speed color output at up to 27 pages-per-minute (31 page-per-minute monochrome)
- Advanced color technology sharpens output to produce rich, high-quality documents using ordinary office paper
- PCL 5c / 6 and PostScript3 emulations enable printing from a variety of operating systems and network environments
- Secure printing suppresses document printout until a password has been entered on the control panel
- The MFX-C2700 can print on a variety of media including 3" x 5" postcards, recycled paper, waterproof paper, envelopes, labels and even 8.5" x 35.4" banner paper
- High-speed USB 2.0 port and 10/100 BaseT Ethernet port offer connections for both local and networked PC's

Efficient Document Handling

- 50-sheet reversing automatic document feeder (RADF) efficiently captures two-sided, multi-page documents
- 8.5" x 11" platen glass enables the seamless copying of carbon papers, bound documents, photos, coated identification cards and other media that is not suitable for the RADF
- 250-sheet paper cassette supports paper sizes up to 8.5" x 14". The 100-sheet multipurpose bypass tray supports postcards, labels, 80 lb. cover stock, envelopes, waterproof paper and 8.5" x 35.4" banner sheets.
- A 530-sheet paper cassette can be added to bring the total paper capacity to 880-sheets
- Supports mixed original (letter / legal) copying

MFX-C2700

The MFX-C2700 is a compact color multifunctional printer (MFP) that combines printing, copying, scanning and faxing into a single, easy-to-use device. The MFX-C2700 is the perfect solution for small businesses, regional offices and corporate workgroups who would like to cost-effectively print and scan color documents within their workspace.

Digital Document Delivery

- Easily deliver color documents to e-mail addresses, PC folders and FTP sites
- Documents can be delivered in PDF, TIFF, JPEG and XPS file formats
- On-the-go users can conveniently scan documents to a portable USB flash drive
- Intuitive QWERTY keypad enables the customization of scan file names, e-mail text messages, e-mail addresses and more
- High-speed fax modem delivers faxes at up to 3 seconds-per-page

Environmentally Responsible

- Standard duplex (2-sided) printing reduces paper consumption
- Energy Star® compliance promotes responsible energy usage
- Automatic ECO mode reduces power to conserve energy
- Deep sleep mode automatically reduces power to less than 1.5 watts after the desired idle time has been reached
- Consolidate multiple functions, such as printing, scanning and faxing, into a single, energy-efficient device
- Inbound fax routing to e-mail reduces paper consumption and increases document security

IMPRESSIVE DOCUMENT HANDLING AND INTUITIVE OPERATION

50-sheet reversing automatic document feeder enables the copying, faxing and scanning of multi-page, two-sided originals without having to break them into multiple sets. Also supports mixed original copying.

The **8.5" x 11" platen glass** seamlessly captures documents that are not appropriate for the RADF including carbon forms, coated identification cards, bound originals, photos and more.

Mode Function Keys – Quickly switch between modes to enable seamless MFP performance.

Adjustable LCD Screen – The 3.5" backlit LCD can be adjusted to the users preferred viewing angle and enables users to quickly navigate menus and perform job operations without spending hours studying a user's guide.

Help Is Always Available – The [Help] button is easily accessible from the control panel and enables users to receive real-time assistance with device features.

Intuitive QWERTY Keypad – The one-touch panel opens to reveal a full QWERTY keypad to assist with e-mail address entry, machine settings, passwords and more.

Space Saving Design – The small footprint allows the MFX-C2700 to easily fit onto most desks and workspaces.

High Definition Color – The MFX-C2700 LED print engine delivers exceptional color quality, even when using generic office paper.

100-Sheet Multipurpose Bypass Tray – Adjusts quickly to accommodate a variety of media sizes and paper weights.

Single Pass Color Technology – Documents feed directly through the print engine to enhance speed, reduce paper curl and prevent paper jams.

250-sheet Paper Cassette – High-capacity cassette is easily accessible and takes only seconds to load.

Optional 530-sheet Paper Cassette – Increases the paper capacity to 880-sheets.

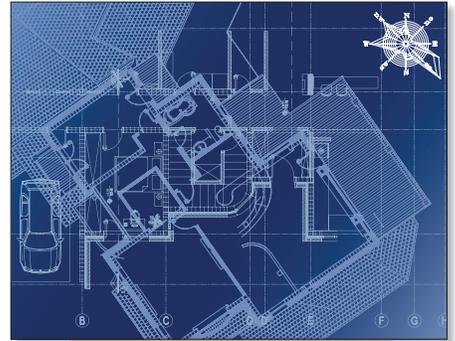

MEDIA FLEXIBILITY

With the MFX-C2700 you can easily create full color 3" x 5" postcards, 8.5" x 35.4" banners and everything in-between!

DOCUMENT DELIVERY SOLUTIONS

The MFX-C2700 is more than just a color printing solution. With the ability to electronically capture hardcopy documents and deliver them to e-mail addresses, PC locations, fax terminals and USB drives, the MFX-C2700 is a key component in the document lifecycle.

E-mail

- Deliver documents directly to an e-mail inbox to reduce paper consumption.
- Utilize the intuitive QWERTY keypad to customize the file name (document being scanned), subject line (the subject that will appear in the e-mail inbox) and text message (body of the e-mail). Users can also enter their e-mail address in the "Reply To:" field to enable the recipient to directly respond to the sender.
- Manually enter e-mail addresses using the QWERTY keypad, or select a location from the e-mail address book. The address book can contain up to 100 e-mail contacts.
- Supports LDAP directory look-up.

PC

- Deliver documents to a PC folder to create digital archives.
- Utilize the intuitive QWERTY keypad to customize the file name (document being scanned).
- Deliver documents to a PC folder at the touch of a button utilizing scan profiles.
- Scan documents to an FTP location to securely share documents with multiple users.

Fax

- 33.6 Kbps fax modem transmits documents at up to 3 seconds-per-page.
- Store up to 100 fax numbers in the address book for instant recall. 16 locations can be selected directly from the control panel.
- Quickly send documents from a PC using the fax driver.
- Route inbound fax documents to an e-mail address to reduce paper consumption, increase document security and receive critical communication when out-of-the-office.
- Generate a confirmation report to show whether a fax transmission was successful.
- T.37 Internet Faxing is supported.

USB

- Quickly and securely digitize documents, without a PC, by capturing images directly onto a USB flash drive via the front-mounted USB port.
- Documents can be printed directly from a USB flash drive. Supported file formats include PDF, JPEG, TIFF and PRN.

MFX-C2700 SPECIFICATIONS

GENERAL

Recording Method	LED
Color Print Speed	27 pages-per-minute
Monochrome Print Speed	31 pages-per-minute
User Interface	3.5" Backlit LCD (5-line)
Reversing Automatic Document Feeder (RADF)	50 sheets
